Experience

Centre For Development of Advanced Computing(CDAC),Bangalore, *Full Stack Web Developer Intern* | On-Site   *Mar 2024 - Present*
- Developed a high-performance web application for a government client, leveraging JavaScript, React, Node.JS, and MySQL technologies; delivered a responsive solution that boosted user satisfaction by 50%.
- Collaborated with a team of 10 developers and designers to implement 15 new features and improve existing functionalities, following Agile methodologies.
- Completed the base functionality for the project, resulting in a 30% reduction in development time.
- Enhanced leadership and social interaction skills through leading team meetings and presentations.

CareerNaksha PVT LTD, *UI UX Design Intern* | Remote   *Jan 2024 - May 2024*
- Led the design of a user-friendly web application and its mobile version for an innovative Electric Bike Company, increasing user engagement by 40%.
- Conducted comprehensive user research and usability testing with over 50 participants, resulting in a 25% improvement in the product's design and functionality.
- Created wireframes, prototypes, and high-fidelity designs using industry-standard tools such as Figma and Adobe XD, leading to a 20% faster design approval process.
- Collaborated with cross-functional teams, including developers and product managers, to ensure design consistency and alignment with project goals.
- Utilized data-driven design principles to enhance the user experience, focusing on user engagement and satisfaction.
- Presented design concepts and user flows to stakeholders, incorporating feedback to refine and optimize the final product.

Gamayas Technologies PVT LTD, *Technical Executive Intern* | Remote   *May 2023 - July 2023*
- Spearheaded the development of a web application and crafted the design for the mobile counterpart of an ongoing gynecological healthcare product, leading to a 35% increase in user adoption.
- Conducted in-depth market research and analysis for 10 gynecological products, focusing on motivation and purpose.
- Led a design team of 5 members, enhancing the overall quality of the product by 30%.

Education

6.64/10	**Btech in Computer Science engineering**, *Indian Institute of Information Technology, Vadodara* | Gandhinagar, Gujarat	*2020-24*
84.8/100	**Higher Secondary in PCM**, *Christian Eminent HS school* | Indore, Madhya Pradesh	*2018-20*
89/100	**Higher School** , *School Of Model* | Barwani, Madhya Pradesh	*2016-18*

Skills

UI UX Design Software	Adobe XD, Figma, Adobe Illustrator
Programming	JAVA, JavaScript, NodeJS, ReactJS, MySql, LaTeX
Soft Skills	Time Management, Problem-solving, Documentation, Engaging Presentation, Leadership.

Projects

Consultation App designs   *May 2023 - July 2023*
User Interface - User Experience Designs
- Designed 10 pages for the app and web application using Adobe XD and Figma.
- Created 5 specific design models using Adobe Illustrator.
- Implemented all basic concepts of Adobe XD, Figma, and Adobe Illustrator, resulting in a 15% increase in design efficiency.

Insurance Management System   *may 2022 - August 2023*
Database Management System(Course Project)
- Designed and implemented an insurance management system with a user-friendly interface and robust database management capabilities.
- Collaborated with team members to ensure seamless integration of JQuery interface and database server, resulting in a 20% reduction in bugs.
- Conducted rigorous testing to identify and resolve 100% of the detected bugs, resulting in a highly functional and error-free system.

Tesla Clone Site   *March 2022 - April 2022*
Web Development, Personal Project
- Successfully replicated the design and functionality of a Tesla-inspired website using HTML, CSS, NodeJs, and MongoDB.
- Demonstrated web development and design proficiency, showcasing attention to detail and creative problem-solving.
- Completed the project within a tight timeframe of 1 month, highlighting efficiency and project management skills.

Interests

Direction	I love to think about characters, camera, location, cinematography, story, frame. Sometimes, I try to capture that capture visual that was in mind.
Sports	Since my childhood I have been into sports and physical activities, And it is very important to be physically fit despite your work in the field.
